

'For such *were* some of you...'

1 Corinthians 6:9-11

The Bible states that people can (and should) turn away from homosexuality. Many, many faithful Christians claim to be ex-gay. This leaflet contains links to their stories.

Additional video resources that investigate the origins of the sexual revolution and of the LGBTQIA+ movement are also included.

Or do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived: **neither the sexually immoral, nor idolaters, nor adulterers, nor men who practice homosexuality**, nor thieves nor the greedy nor drunkards nor slanderers nor swindlers will inherit the kingdom of God. **And that is what some of you were.** But you were washed, you were sanctified, you were justified in the name of the Lord Jesus Christ and by the Spirit of our God.

1 Corinthians 6:9-11

²²Although they claimed to be wise, they became fools,²³and exchanged the glory of the immortal God for images of mortal man and birds and animals and reptiles.

²⁴Therefore God gave them over in the desires of their hearts to impurity for the dishonoring of their bodies with one another. ²⁵They exchanged the truth of God for a lie, and worshiped and served the creature rather than the Creator, who is forever worthy of praise! Amen. ²⁶For this reason God gave them over to dishonorable passions. Even their women exchanged natural relations for unnatural ones.

²⁷Likewise, the men abandoned natural relations with women and burned with lust for one another. Men committed indecent acts with other men, and received in themselves the due penalty for their error.

The fiendish fathers of sexual revolution (both heterosexual & homosexual)

Dr. Alfred Kinsey
The father of the sexual revolution

Aleister Crowley
British satanist and pedophile

Harry Hay
The father of the gay rights movement

Hugh Hefner
The father of the modern pornography movement

Timeline: The Occult Roots of the Sexual Revolution and LGBTQ+ Activism

- 1875** • **Aleister Crowley** is born in England. Occultist, sex magician, and founder of Thelema, he promotes “Do what thou wilt” as the highest law and champions ritual sex, pansexuality, and paedophilia as spiritual paths.
- Early 1900s** • **Crowley** takes leadership of the Ordo Templi Orientis (OTO), a secret society that merges Freemasonry with occult sex rituals. Homosexuality, bisexuality, and child abuse become integrated into its rites.
- 1894** • **Dr Alfred Kinsey** is born in the US. A biologist and sexologist, he becomes the **father of the modern sexual revolution**, promoting fluid sexuality and normalising taboos through pseudoscience.
- 1940s** • **Kinsey** gathers sexual data from paedophiles and convicted abusers, using their reports to legitimise extreme behaviours. Obsessed with **Crowley**, **Kinsey** and his assistant **Wardell Pomeroy** travel to Sicily to retrieve **Crowley's** personal sex diaries from the Abbey of Thelema.
- 1947** • **Crowley** dies in England. His teachings, especially through the OTO, continue to influence thinkers, activists, and cultural leaders.
- 1948** • **Kinsey** publishes *Sexual Behaviour in the Human Male*, shocking the public and opening the floodgates for societal acceptance of behaviours once deemed perverse.
- 1950** • **Harry Hay, the father of the gay rights movement**, a radical Marxist, OTO member, and participant in Crowleyn rituals, founds the Mattachine Society—the first major US gay rights organisation. While living in Los Angeles, Hay played the organ during OTO's Gnostic Mass, drawn in through fellow occultists.
- 1953** • **Kinsey** releases *Sexual Behaviour in the Human Female*, reinforcing his vision of liberated sexuality.
- 1955** • The Daughters of Bilitis, the first lesbian political organisation in the US, is founded. Its leaders draw openly from **Kinsey's** work.
- 1958** • **NAMBLA** (North American Man/Boy Love Association) is formed to advocate for the decriminalisation of sexual relationships between adult men and underage boys. **Harry Hay** becomes a lifelong supporter. NAMBLA still exists today.

- 1960s** • **Hay** marches in gay pride parades wearing **NAMBLA** placards around his neck. When organisers bar **NAMBLA**, he simply joins parades that will allow them. He publicly defends **NAMBLA** as part of the LGBTQ+ family.
- 1980s** • He also founds the **Radical Faeries**, a gay spiritual movement rooted in occultism and paederasty. Their 1979 conference is advertised with fliers quoting **Crowley** and distributed in gay bookstores and centres to recruit men into Crowley's ideology.

- 1961** • Lesbian novelist **Valerie Taylor** writes in the *Mattachine Review* that **Kinsey's** statistics did more to promote tolerance for homosexuality than years of gay activism.

The Sexual Revolution begins. Catalysed by **Crowley's** ideas, it is championed by **Kinsey, Hay, and Hugh Hefner**—founder of *Playboy*. **Hefner** credits **Kinsey**:

"If Kinsey had done the research, I was the pamphleteer."

- 1970s** • **Kinsey's** flawed "everyone is a little gay" theory spreads. Porn and sexual permissiveness become mainstream.

- 1980s** • **No-Fault Divorce Laws** are introduced, making divorce easier. Rates surge past 5 per 1,000.

Peak divorce rate: 5.2 per 1,000. Culture increasingly embraces Kinsey's vision—

The Good News: A Broken Relationship Restored

God made us to know and love Him. But we chose our own way, breaking that relationship. In love, Christ came, died for our sins, and rose again – to bring us back to God. Jesus presents himself as the only path to God and eternal life, implying that there is no other way to reach the Father. In John 14:6, Jesus states, "I am the way, and the truth, and the life. No one comes to the Father except through me," emphasising that he is the sole path to God and eternal life. Call on Christ today – only He can restore what's broken.

Neither is there salvation in any other:

for there is none other name under heaven given among men, [apart from Jesus Christ of Nazareth] whereby we must be saved.

Acts 4:12

A broken world is healed by a broken Christ, on a broken tree.
